< All Topics

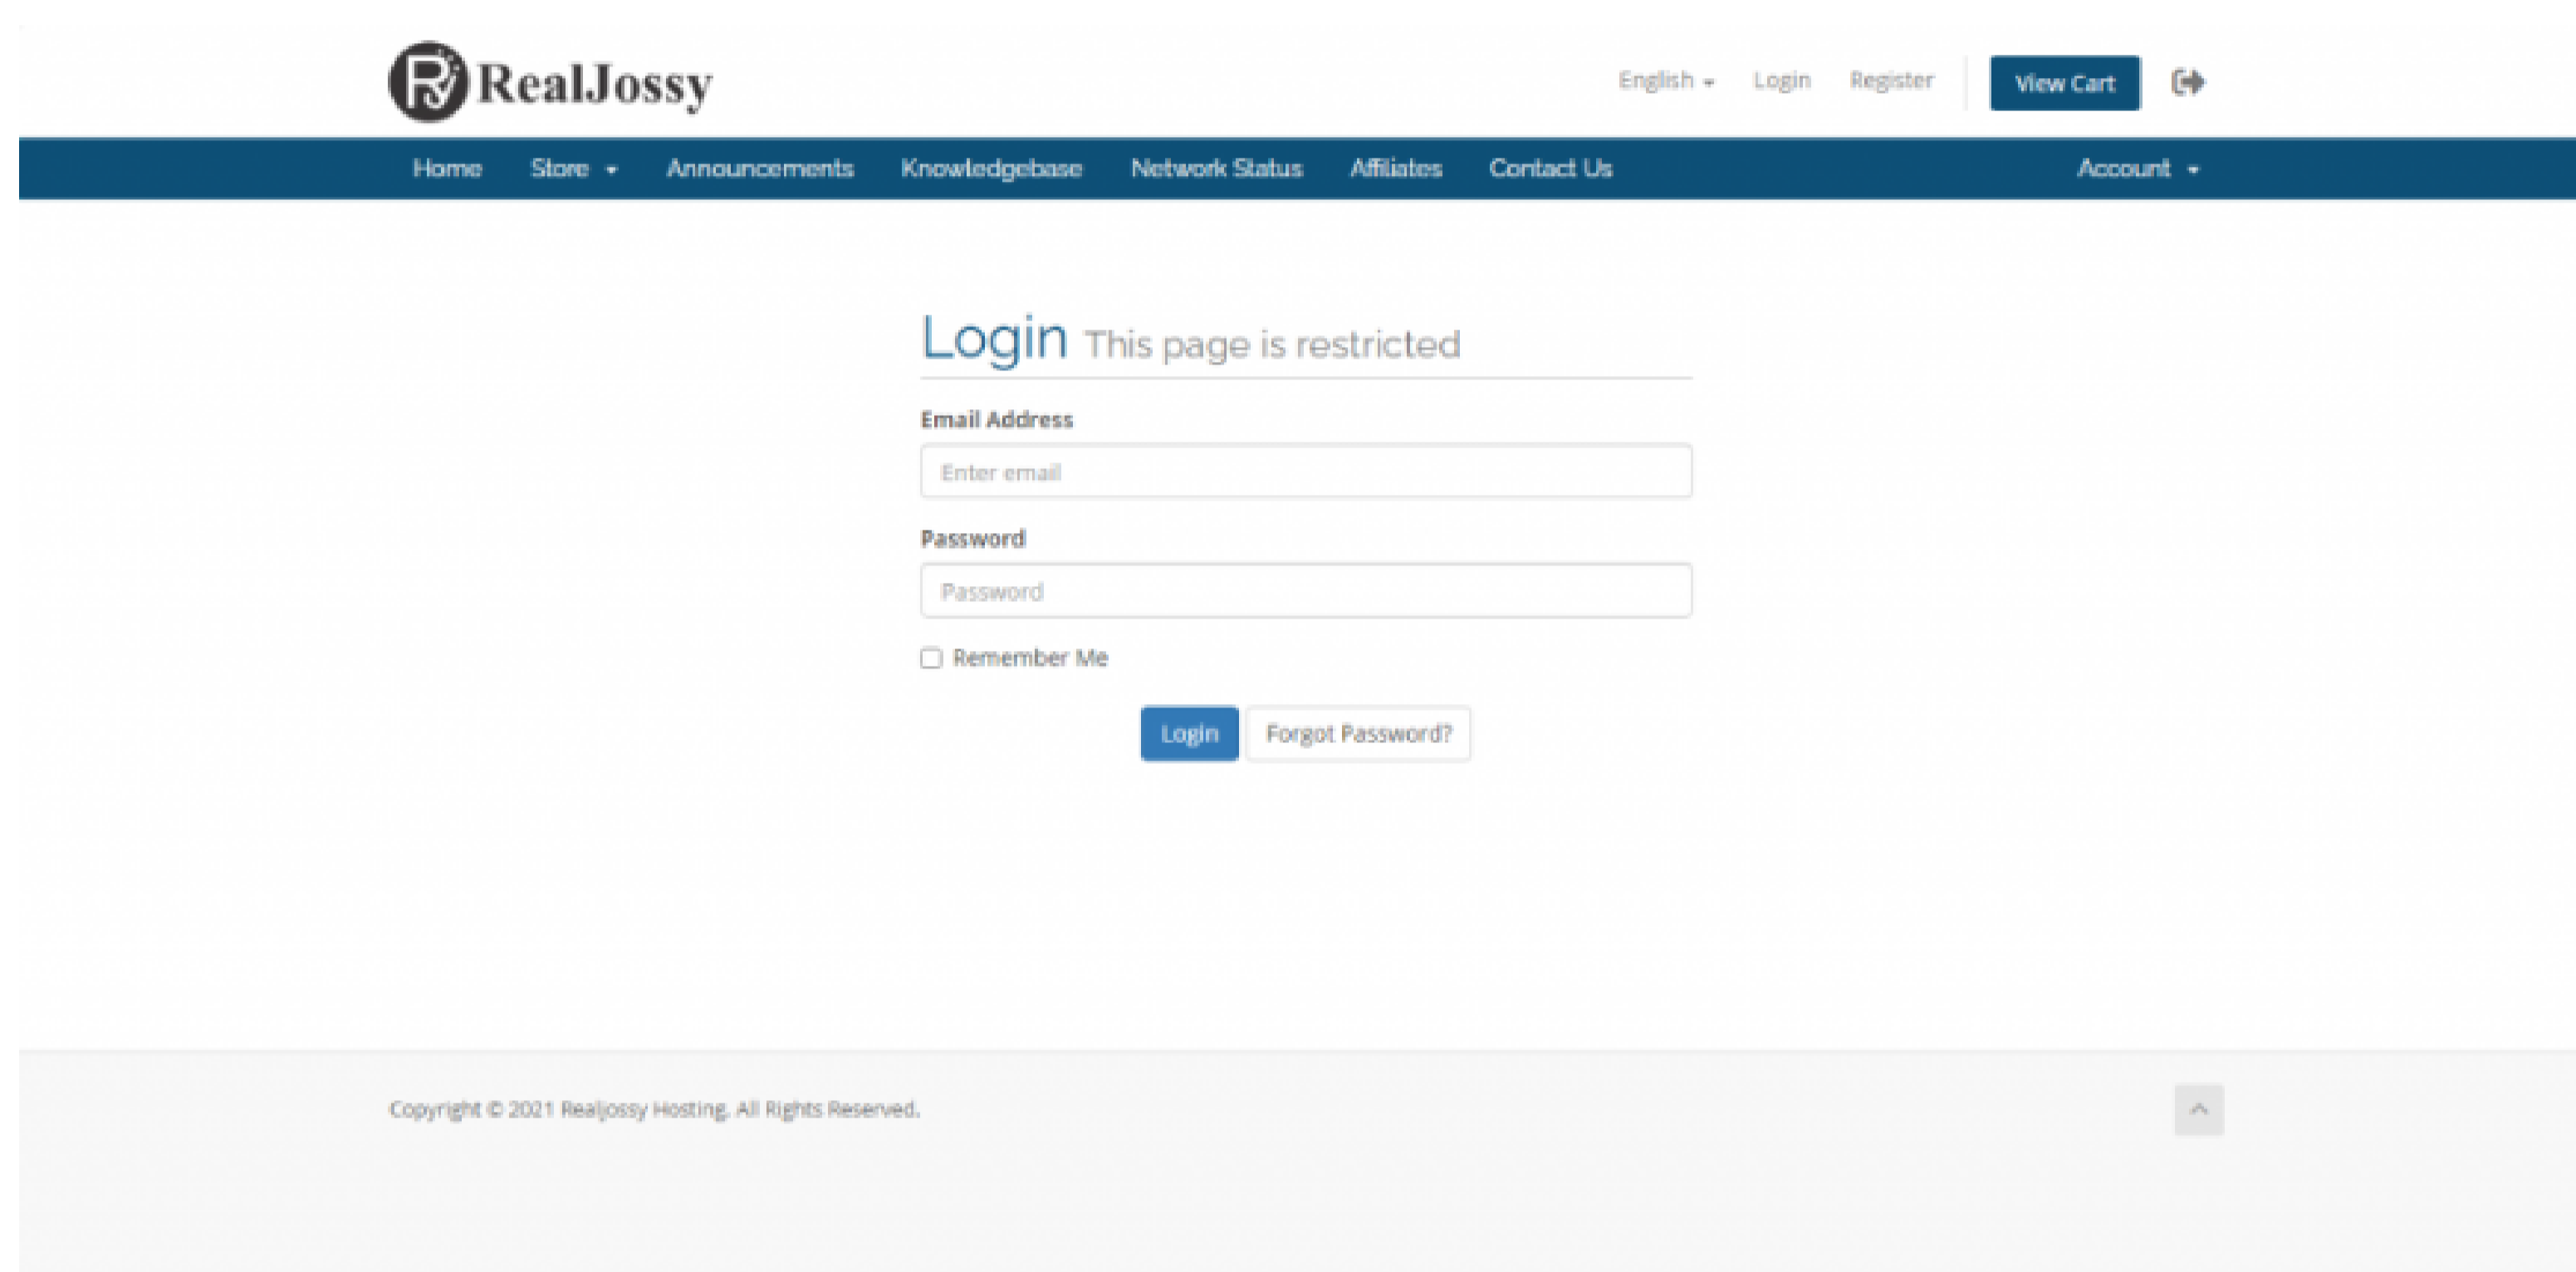

Welcome! here in this article, i will walk you through on how to access your hosting control panel on Realjossy

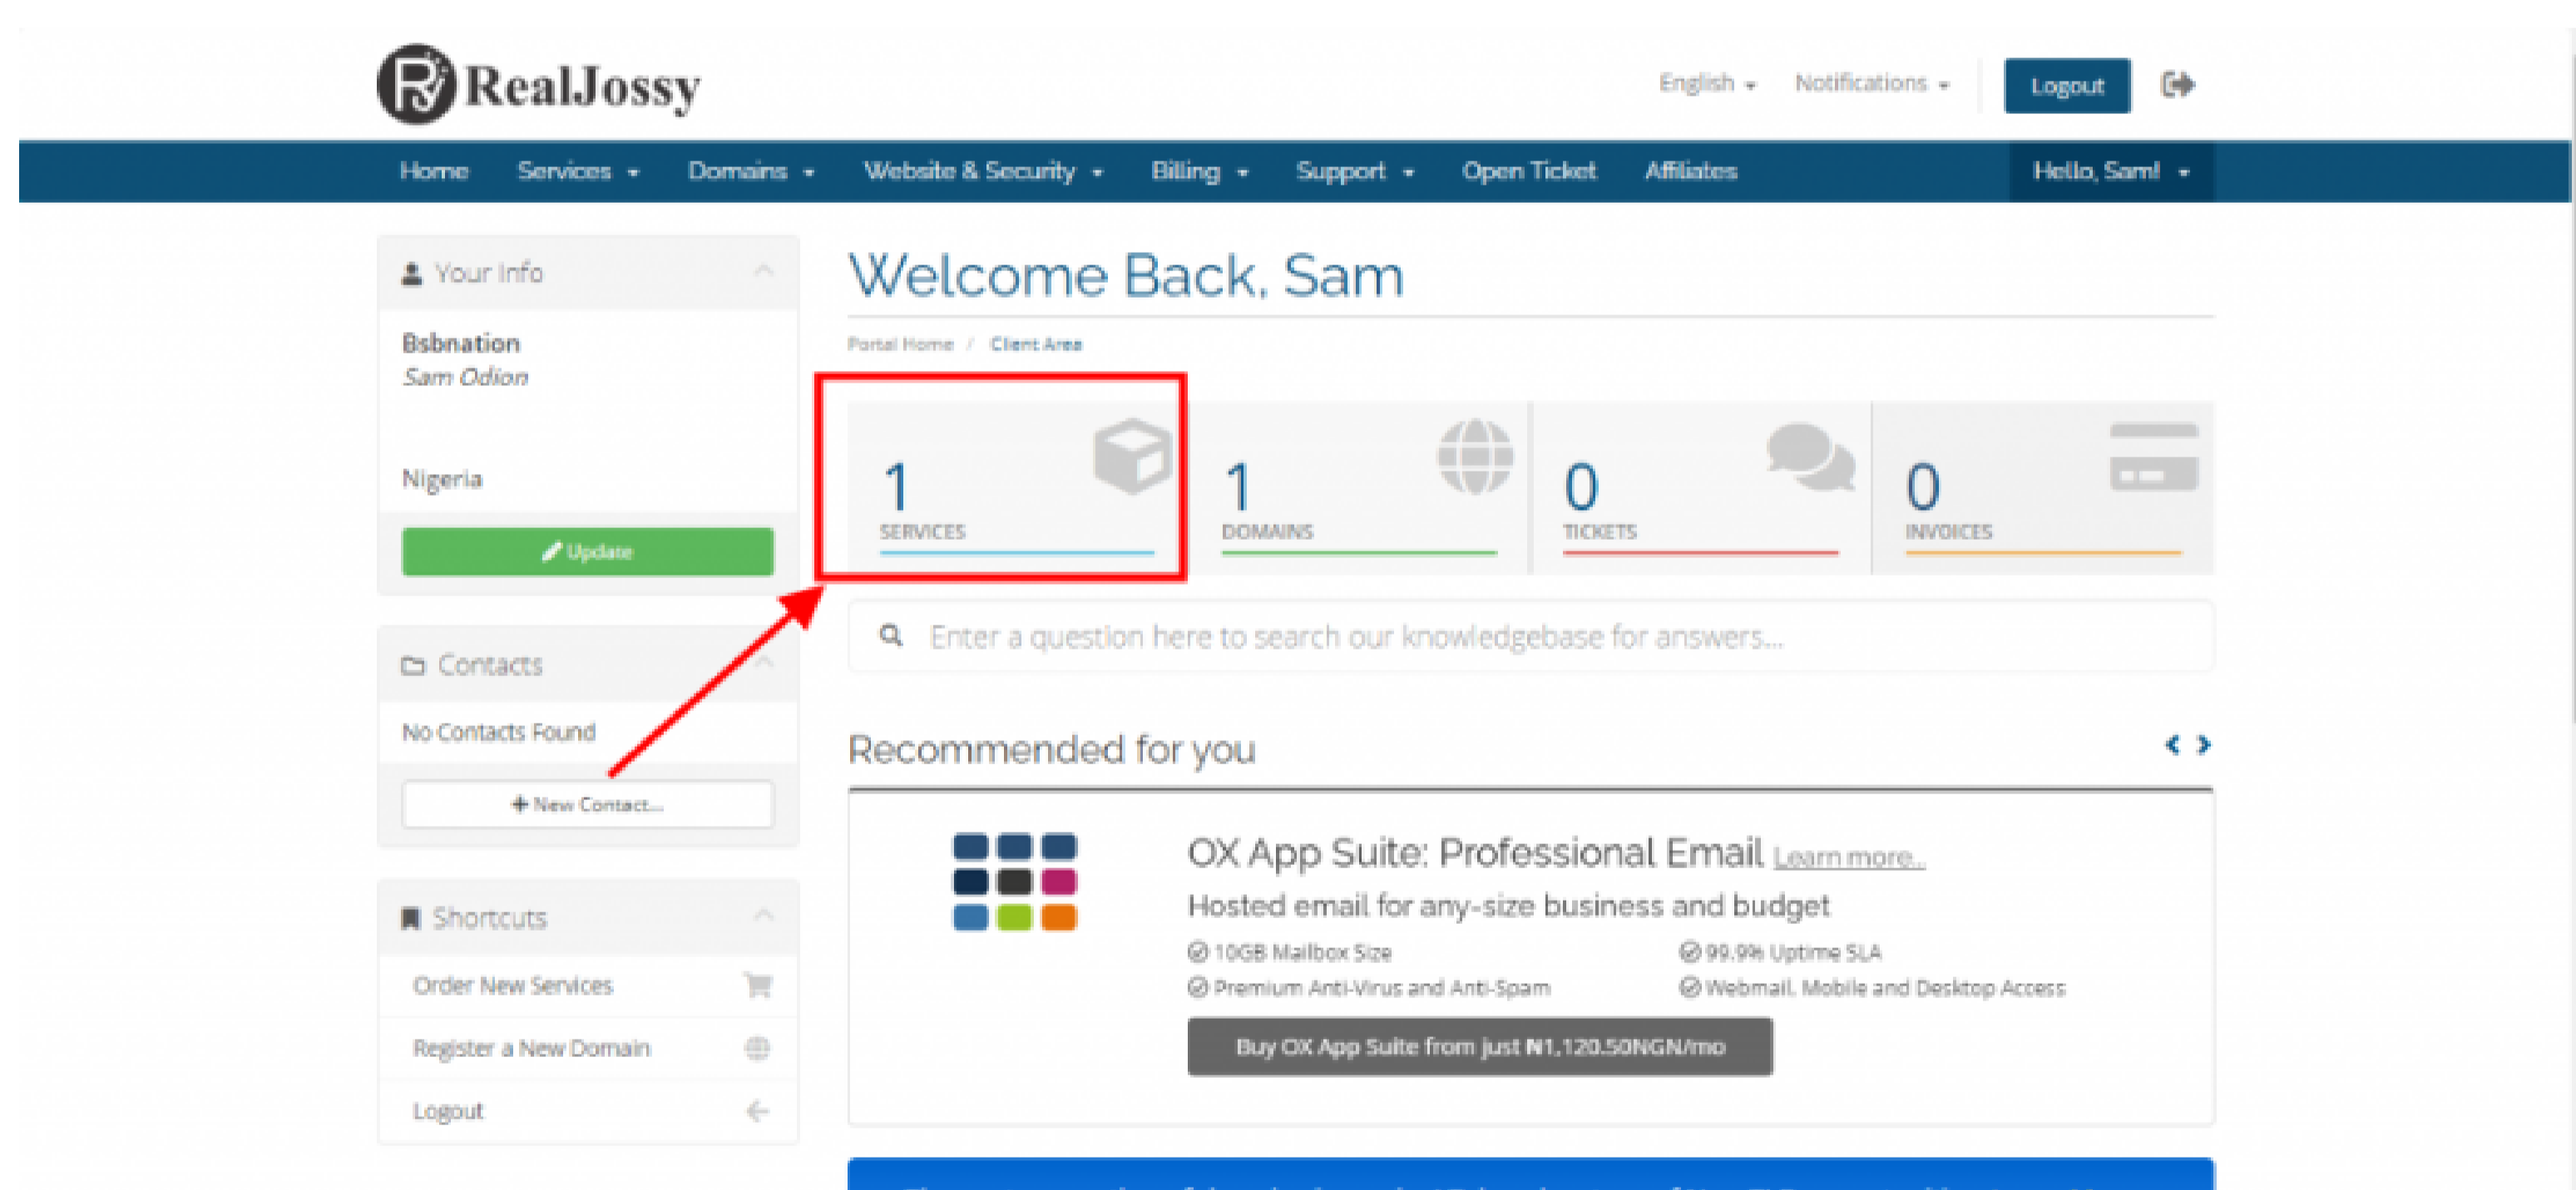

First, Log into your account by Visiting [Realjossy.com](https://Realjossy.com) > **Login**

On the next page, log in with your account details

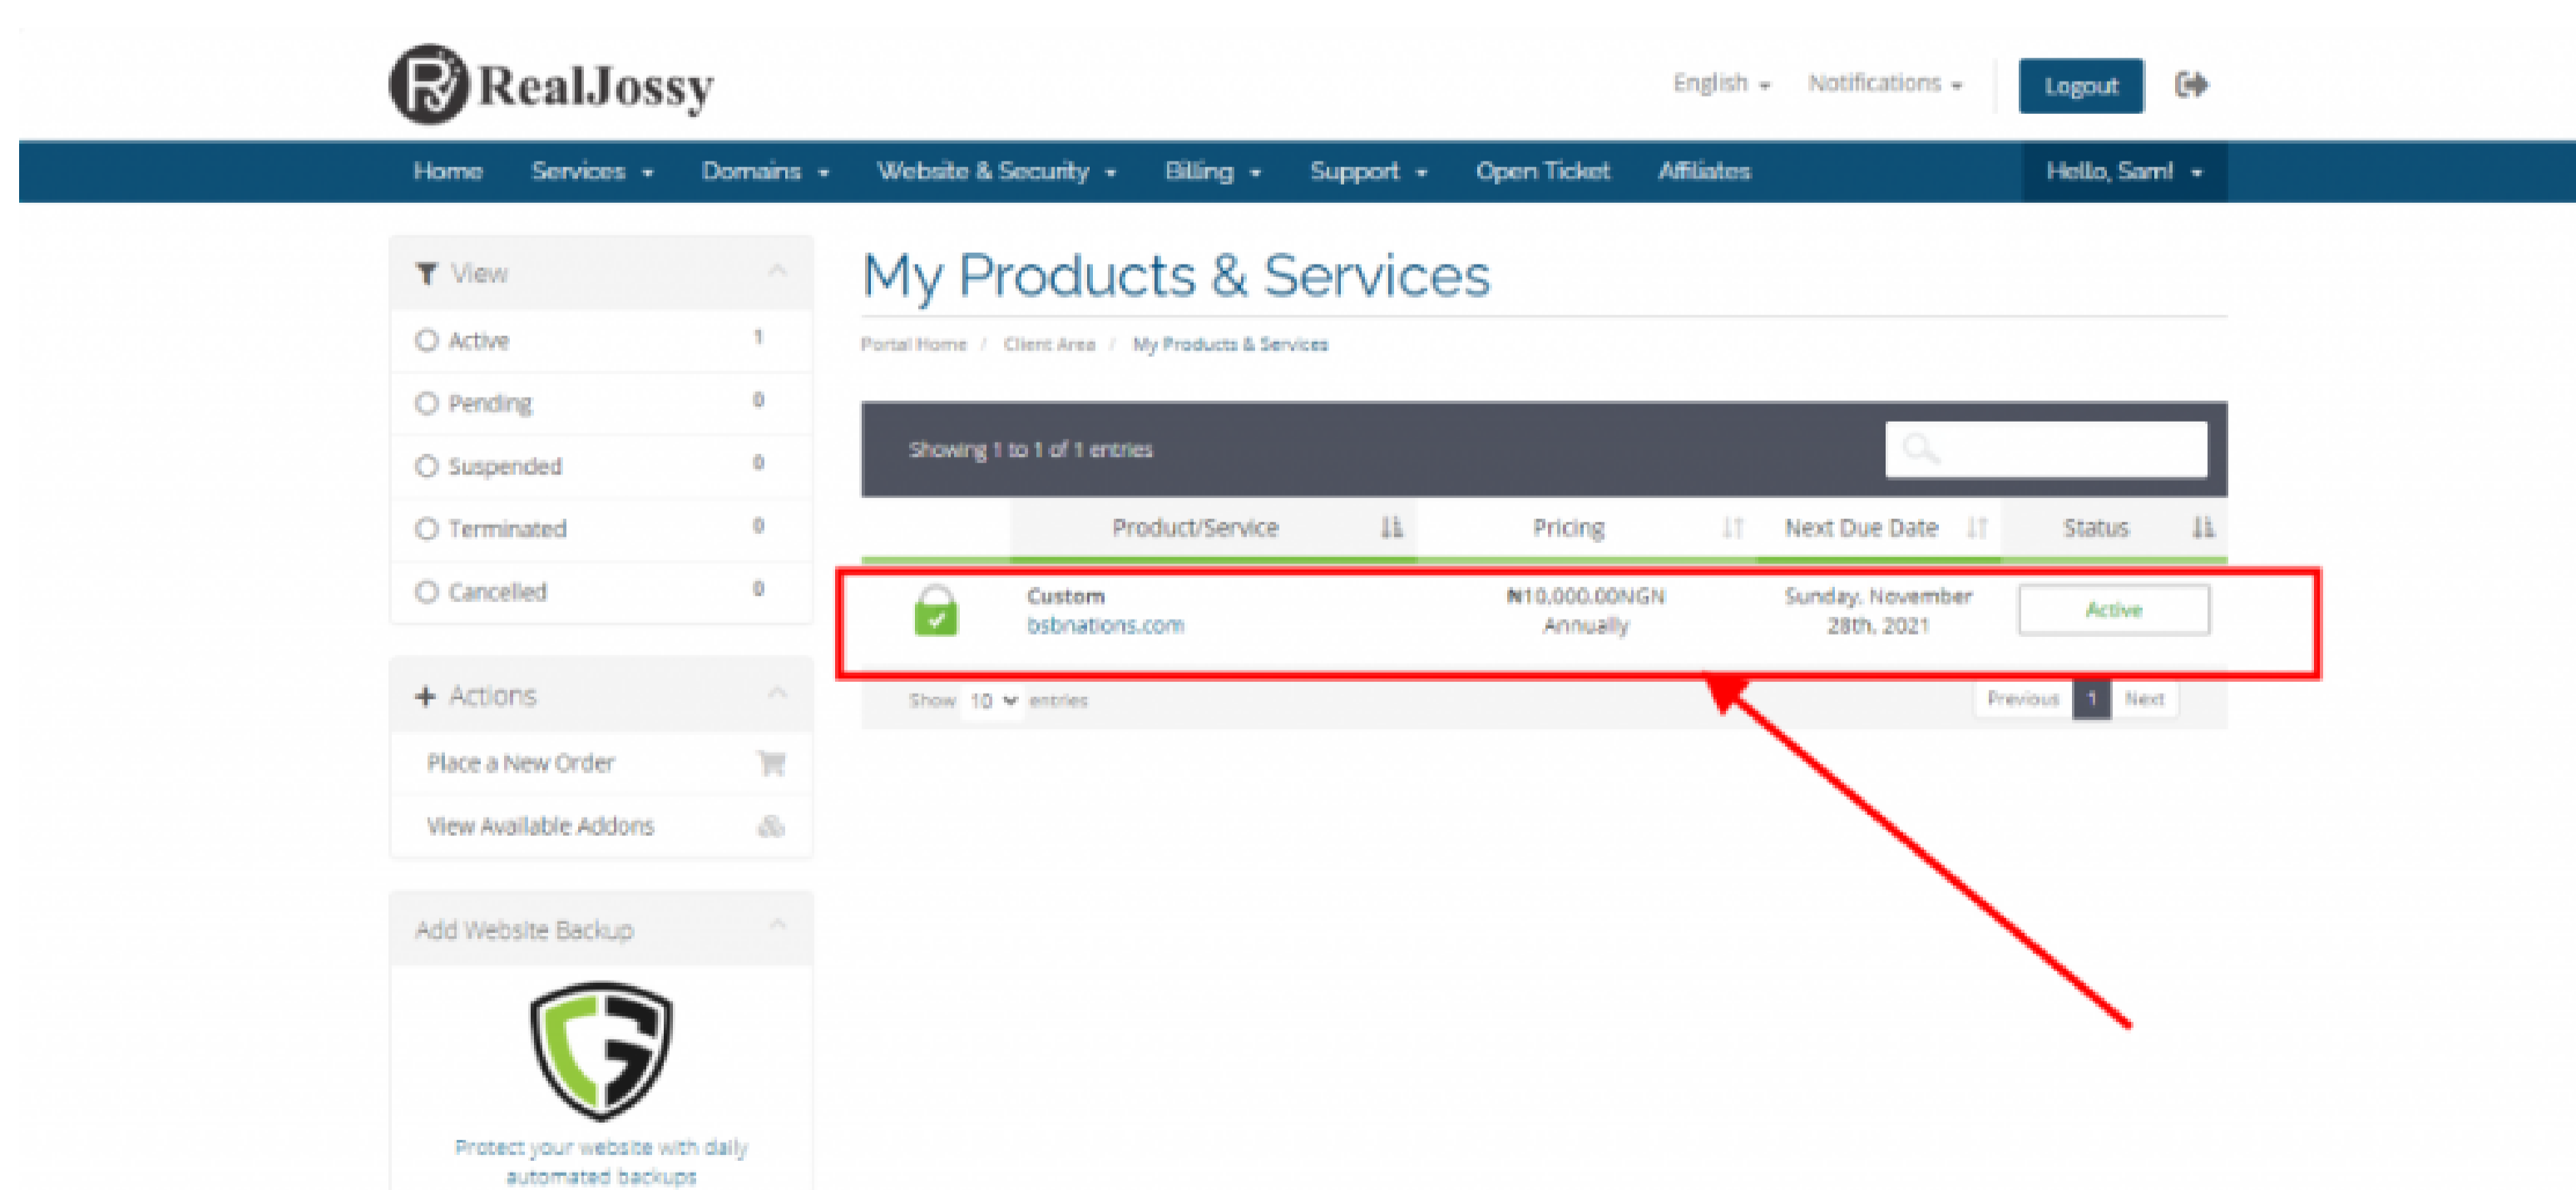

Login in and click on **services**

On the next page is where your orders will be listed

Looking at the image below, this account has just one order... **click on it**

On the next page scroll down and click on **login to Cpanel**
